Summer

We are beginning or transition from our awesome summers back to school! Even though most of the snow melted, our members still found themselves in the mountains! Check out our Instagram @Dass_team for more details about our summer adventures (Thanks to Anna Gard making our IG look awesome.)

Officers

We are also welcoming back some returning officers. Shoutout to our awesome president Logan DeAngelis, and our amazing fundraising officer Laurel Hinshelwood!

As well as our brand new officers: Publicity officer, Anna Gard; Cabin Manager, Aidan Callahan; Recruitment officer, Spencer Crist; Ski Captain, Bryce Kortge; Snowboard Captain, Amanda Kindel; Treasurer, Alysha Herich; External Affairs Officer, Jade Hinson. Find some more information about them on our Instagram and Website!

Recruitment

Our members were not only adventuring this summer; thanks to Spencer Crist, our Recruitment Officer, DASS made it to all of the “How Do U Rec” events this summer during orientation. Great job on getting over 300 sign-ups! Also thanks to all the other members who made it out to help. Our first meeting should be full of potential new shredders! Way to represent!

Updates on the 2018-19 Ski Season

Thanks to our amazing Treasurer, Alysha Herich, we are securing the IKON Pass for this season! We are so excited to not only have access to Squaw and Alpine all season, but also to all of the other amazing mountains owned by Alterra Mountain Company.

We are in the process of solidifying coaching this season as well, thanks to our captains, Bryce and Amanda!

Our cabin Manager, Aidan Callahan worked hard this summer to get us an awesome cabin this season located in Tahoe City, just 15 minutes away from our home mountain.
